Step-by-Step Instructions

How to Use Your Templates

Step 1: Open Your Canva Link

Go to page 1 of this PDF and click the Canva template link (or scan the QR code). This will open all 23 templates in your browser.

Step 2: Log In to Canva

If you don't have a Canva account, sign up for free at canva.com. A free account is all you need — no paid subscription required.

Step 3: Make a Copy

Click "Use Template" or "Make a Copy" to save the templates to your own Canva account. This creates your personal editable version.

Step 4: Edit Your Templates

Click on any text to change wording. Click on colors to update your palette. Swap photos, move elements, change fonts — make it completely yours!

Step 5: Download Your Files

When you're done editing, click "Share" then "Download." Choose PDF for printing or PNG/JPG for sharing digitally. Select the pages you need.

Step 6: Print or Share

Print at home on US Letter paper (8.5 x 11 in) or take to a print shop. For digital sharing, text or email the PNG/JPG files directly to your guests.

Printing Guide

Paper Size

All templates are designed for US Letter (8.5 x 11 inches)
This is the standard paper size for home printers in the US

Recommended Paper Types

Signs & Decor: White cardstock (65-110 lb) for durability
Game Cards: Standard printer paper or light cardstock
Invitations: Premium cardstock or photo paper
Name Tags: Light cardstock, then cut to size

Printer Settings

Paper size: "Letter" or "8.5 x 11"
Scaling: "Actual Size" (do NOT use "Fit to Page")
Quality: Best or High Quality
Color: Full Color
Orientation: Portrait (vertical)

Print Shop Tips

FedEx Office, Staples, Office Depot all accept PDF files
Upload your downloaded PDFs to their online print portal
Request cardstock for signs, standard for game sheets
Ask for color printing, single-sided

Cutting & Trimming

Most templates print full-bleed on letter paper
Use a paper trimmer or scissors for clean edges on signs
A ruler and craft knife give the most professional results

Need Help? We're Here!

Q: I can't find my download

Go to Etsy.com > Your Account > Purchases and Reviews. Click 'Download Files' next to this order. If you don't see it, check your email for the Etsy receipt with a download link.

Q: The Canva link isn't working

Make sure you're logged into a Canva account. Try opening the link in a different browser (Chrome works best). If the issue persists, message us on Etsy and we'll send a fresh link.

Q: I don't have a Canva account

Go to canva.com and sign up for free! You don't need a paid account. The free version has everything you need to edit these templates.

Q: Can I change the colors/fonts/text?

Yes! Everything is fully editable. Click on any element in Canva to change text, fonts, colors, photos, and layout. Make it match your party theme perfectly.

Q: What if my prints look different from the screen?

Colors can vary slightly between screens and printers. For best results, do a test print of one page before printing the full set. Use the 'Best Quality' print setting.

Message us anytime through Etsy!

We typically respond within 24 hours.
