

Quick Start Guide

Get Started in 5 Minutes

1

OPEN YOUR CANVA LINK

Find the Access PDF in your Etsy downloads. Click the Canva template link on page 1. This opens all 23 templates in one place.

Tip: Bookmark the link so you can come back anytime!

2

LOG IN TO CANVA

Sign in to your free Canva account (or create one at canva.com). No paid subscription needed.

Tip: Use Google or Facebook login for fastest setup.

3

MAKE YOUR COPY

Click "Use Template" to save to your Canva account. This creates your own editable version.

Tip: Rename your copy so it's easy to find later.

4

EDIT & CUSTOMIZE

Click any text to change wording. Update colors to match your party theme. Swap photos, change fonts — make it yours!

Tip: Use Canva's color picker for exact party colors.

5

DOWNLOAD & PRINT

Click "Share" > "Download." Choose PDF for printing or PNG/JPG for digital sharing. Print at home on US Letter paper.

Tip: Print on cardstock for signs — more professional!

You're all set — enjoy planning your party!
