# Get Started in 5 Minutes

**1**

## OPEN YOUR CANVA LINK

Find the Access PDF in your Etsy downloads. Click the Canva template link on page 1. This opens all 23 templates in one place.

Tip: Bookmark the link so you can come back anytime!

**2**

## LOG IN TO CANVA

Sign in to your free Canva account (or create one at canva.com). No paid subscription needed — the free version works perfectly.

Tip: Use Google or Facebook login for the fastest setup.

**3**

## MAKE YOUR COPY

Click "Use Template" to save the templates to your Canva account. This creates your own editable version that won't affect the originals.

Tip: Rename your copy so it's easy to find later.

**4**

## EDIT & CUSTOMIZE

Click any text to change the wording. Update colors to match your party theme. Swap photos, change fonts, move elements around — make it yours!

Tip: Use Canva's color picker to match your exact party colors.

**5**

## DOWNLOAD & PRINT

Click "Share" > "Download." Choose PDF for printing or PNG/JPG for digital sharing. Print at home on US Letter paper or take to a print shop.

Tip: Print on cardstock for signs — it looks more professional!

## You're all set — enjoy planning your party!
